

IEEE Education Society Board of Governors' Meeting
23 October 2015
2015 Frontiers In Education Conference, El Paso, Texas USA

President's Report
Submitted by James Sluss

Respected Board of Governors Members,

Since our last meeting in June, much of my activity centered around three areas:

- Preparing for the upcoming five-year Society Review
 - The review will be conducted Thursday, 19 November 2015, as part of the IEEE TAB Meeting Series in New Brunswick, NJ. The written report, to be submitted to the TAB Society Review Committee, will be completed very shortly. I am very grateful to members of the Society's Executive Committee who provided thoughtful input to the report.
- Monitoring and responding to email
 - I receive many emails each day from members of the Executive Committee, BoG, Standing Committees, TAB, and IEEE at large.
- Representing the Society at events
 - Delegate - World Engineering Education Forum, Florence, Italy, 21-23 September 2015
 - Meeting with local members of the EdSoc's Spain Chapter in Madrid, Spain, 6 October 2015.
 - Keynote Speaker - Industrial Cooperation and Creative Engineering Education Based On Remote Engineering and Virtual Instrumentation – Perspectives of university-enterprises cooperation, Bilbao, Spain, 8 October 2015.
 - Meeting with local members of the EdSoc's Spain Chapter in Vigo, Spain, 11 October 2015.

I have four items I would like to bring forward for discussion at the BoG Meeting:

- Sponsorship request for the IEEE Undergraduate Teaching Award
- Policy toward spending special initiative funds to support travel to ASEE/FIE for collocated committee meetings
- Reappointment of the Editor-in-Chief of the IEEE Transactions on Education
 - Section 7 of the Bylaws state "7. Publications: The Society shall sponsor such publications as are recommended by the Publications Committee and approved by the Board of Governors. The President, with the advice and consent of the Board of Governors, shall appoint the editor for each publication."
- Recommendations for Webmaster

Respectfully submitted,
James Sluss, President
